

Resources Summary

Need assistance navigating through our resources? Here is a list of our current resources, with links:

- Teacher backgrounds, hands-on activities, worksheets, quizzes and STEM booklets can all be found at www.wasp.edu.au
- Free online professional development (at your own pace) is available at www.waspteacher.edu.au
- Animations covering key content can be found on [Earth Science Western Australia's YouTube channel](#)
- Videos demonstrating many of the easy to conduct hands-on activities from WASP (and some of ESWA's other programs) can be found at the [Aus EarthEd YouTube channel](#)

The screenshot shows the WASP website homepage. At the top, there is a navigation menu with links for HOME, AT HOME, TEACHER RESOURCES, STEM, QUIZ, TEACHER PD, ABOUT WASP, and CONTACT. Below the menu is a sidebar with a vertical list of year-level topics: YEAR 4 WEATHERING & EROSION, YEAR 5 SOLAR SYSTEM, YEAR 6 GEOLOGICAL CHANGES, YEAR 7 OIL & WATER, YEAR 8 ROCKS & MINERALS, YEAR 9 PLATE TECTONICS, YEAR 10 GLOBAL SYSTEMS, and YEAR 11/12 ESD RESOURCES. The main content area features a large graphic for 'STEM Resources for Year 6' with a 'Click here' button. Below this is a 'welcome to WASP' section with a paragraph of text and a 'SUBSCRIBE TO OUR UPDATES' button with an envelope icon. A 'WASP IPAD APP' announcement is also visible on the left side of the page.

- Interactives around water, oil & gas and rocks can be found on the [WASP iPad app](#)
- An augmented reality virtual field experience app can be found [here](#)
- Activity ideas, content and links to great resources can be found on the [AusEarthEd blog](#)
- Free hands-on incursions can be arranged, in Western Australia, by [contacting the WASP team](#)
